

## About

**Author :** Ellen Bradley

**Date :** January 9, 2009

**"Mike's Blog"** is authored by me, Mike Smith, Dean of the UNC School of Government and professor of Public Law and Government. This blog will, over time, offer my thoughts on any number of issues affecting the School of Government. I will not post something every day, but I hope to have a couple of entries each week. I am especially interested in your thoughts and reactions, so please feel free to make comments.
